TRAININGS / CERTIFICATIONS

**Introduction To Web Development With HTML,
CSS, JavaScript**

Oct 2023 - Nov 2023

IBM, Virtual

The course built my web development skills by teaching me to structure content with HTML, style it with CSS, and add interactivity using JavaScript. Hands-on projects reinforced my learning.

PROJECTS

Web Application Music Player ↗
May 2024 - Jun 2024

Developed a responsive web music player leveraging HTML, CSS, and JavaScript, with a custom API powered by JSON. Key features include real-time lyrics display, intuitive playback controls (play/pause, next/previous), and dynamic volume adjustments.

Web-Based Weather App ↗
Dec 2023 - Jan 2024

Developed a web-based weather app using HTML, CSS, and JavaScript, integrated with a weather API. The app provides real-time weather updates, including temperature, humidity, and forecasts.

Web Based Quiz ↗
Feb 2024 - Mar 2024

Created a basic web-based quiz application using HTML, CSS, and JavaScript. The quiz features dynamic question generation, real-time scoring and providing an engaging user experience.
